OBJECTIVE

I am currently looking for an exciting position in a fast-paced technology company where I can utilize my expertise as Full Stack Web developer and continue to grow. I hope to make a valuable contribution to groundbreaking projects and enhance my abilities in this ever-changing industry.

PROFESSIONAL EXPERIENCE

CLOUD SERVICE FOR ALL

MAR 2024 - Present

MERN STACK TRAINEE

During my training, I gained valuable professional experience that enhanced my skills in identifying project requirements and executing them effectively. I utilized ReactJS to develop user-friendly websites for Kamal Store, ClothShoe E-commerce Platform, and Library Furnitures. My focus spanned both frontend and backend development, aiming to enhance client experience and optimize online sales processes. These projects underscored my capability to deliver comprehensive solutions that meet diverse business needs while ensuring a streamlined user experience.

EDUCATION

B.E Computer Science and Engineering

Global Institute Of Engineering and Technology 2020-2024 CGPA:8.5%

Higher Secondary

Thiru G Varadharajalu Chettiar Higher Secondary School 2019-2020 Percentage:63.5%
